Flexible Spending Account with Carryover

Under the Federal Flexible Spending Account Program (FSAFEDS), a **Health Care Flexible Spending Account (HCFSA)** is a pre-tax benefit account used to pay for eligible medical, dental and vision care expenses that aren't covered by your health care plan. And with Carryover, there's virtually no "use or lose" risk.

Why You Need It

- Save up to 30%[†] on eligible health care expenses, which includes menstrual care products and over-the-counter (OTC) drugs like aspirin and cough medicine without a prescription, in addition to face masks and hand sanitizing wipes (with 60%+ alcohol base).
- Eligible employees can carry over up to \$550 to the following plan year—there's virtually no risk of losing your hard-earned money if you re-enroll the following year.
- Access the full amount of your account on day one of the plan year.
- **Please note:** If you were enrolled in a 2021 HCFSA, recent legislation allows carry over of all remaining funds in your 2021 HCFSA when you re-enroll in a 2022 HCFSA.

How It Works

Simply decide how much to contribute, and funds are withdrawn from your paycheck for deposit into your HCFSA account before taxes are deducted. Your total annual election amount is available on day one of the plan year.

The FSAFEDS HCFSA lets eligible employees carry over up to \$550 in account balances from one plan year to the next if you re-enroll during Federal Benefits Open Season. With far less risk of "use or lose," there's no reason not to take advantage of the tax savings every year.

How You Manage It

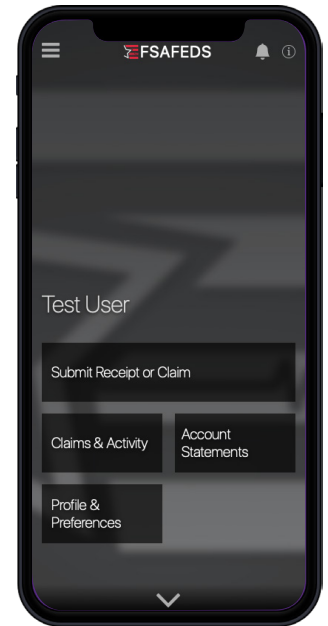

With a variety of payment and reimbursement options, your HCFSAs are easy to use. Your account can be used to pay for hundreds of eligible health care products and services for you, your spouse and eligible dependents. Manage your account via a secure website on any computer or mobile device that's connected to the Internet or via the FSAFEDS app.

How Much You Can Contribute to It

You can contribute a minimum of \$100 or up to a maximum of \$2,750 to your HCFSAs.
